TACENS

INITIO 2 450

CASE ATX INITIO 2 + 450W PSU

DESIGNED IN EUROPE

Radix 450 PSU included

After 6 years of successful sales of TACENS first computer case Initio, TACENS releases Initio II with the new aesthetics and performance up-dated and enhanced after these years of experience.
TACENS Initio II case, with its shiny-black front panel, has a new clean, elegant and professional design that meets anyone likes. Its high-quality light chassis is completely black for a flawless finish and features an ultra-quiet rear fan 90mm PRO TACENS Aura for maximum cooling with minimum noise.

Specifications:

- Elegant bright-black front panel.
- Full black, light-weight and high-quality spacious chassis.
- Ultra-Silent 9 cm Tacens Aura Pro rear fan (12db) with anti-vibration pads.
- Front USB 2.0 and audio connectors.
- Thermally advantaged design with CPU air duct and PCI-Express ventilation holes.
- This model includes an ultra-quiet and high quality 450W TACENS power supply. Complies with all strict EU regulations and includes top-safety electric features and PFC filtering.
